**MEMORANDUM FOR: Director of Central Intelligence**  
**SUBJECT: Fulbright Request for Publication of the**  
**Director's Transcript of July 19, 1965**

Carl Marcy, Staff Director, Senate Foreign Relations Committee, advises that similar letters requesting review of transcripts of testimony concerning the Dominican Republic for possible publication have been forwarded to Mr. Laird, Mr. Rogers and Mr. Munoz Marine, as well as yourself. Carl feels there is no intention of going into Agency matters but does request a letter for the Chairman setting forth some specifics as to why we are unable to sanitize and release the transcript.

For your information alone, he also advised that Tom Mann is writing a book on this period. In consequence, the Committee is drawing their material together to see what they have prior to final determination on publication.
